muted  
by  
virus

The image features a central silhouette of a group of people in a boat on water. The background is split horizontally: the top half is a dark, textured brown, and the bottom half is white. The text 'muted by virus' is overlaid in a large, black, serif font. The word 'muted' is at the top, 'by' is in the middle, and 'virus' is at the bottom. The boat and its occupants are positioned between the 'by' and 'virus' words, appearing to be on the white background.

The image features a vibrant, surreal sky with a gradient of pink, purple, and blue. In the foreground, the dark silhouettes of several tall, spiny cacti are visible against the colorful background. The text "ends with big assault" is overlaid in a large, white, serif font, centered vertically and horizontally.

The image features a pixelated, low-resolution version of the United States flag. The stars and stripes are visible but blocky. Overlaid on the flag is the word "gains" in a large, red, cursive script font. A small red dot is positioned above the letter 'i'. The background is a mix of blue, white, and red pixels.

A close-up photograph of purple flowers and leaves, likely a species of Iris, with a text overlay. The text is in a white, serif font and reads "military bases are still toxic". The background is a dense field of purple flowers and leaves, with some yellow and green foliage visible in the upper right corner.
